Stroll through Old Kingston Town

Enjoy local hospitality with a progressive dinner in island homes

Relax with a picnic at Captain Cook's Monument

Fly into Norfolk Island and find yourself in another world. It's a subtropical paradise with a fascinating history and culture, fresh island food, locally produced wine and coffee, all at a pace that's most serene. Everything is so relaxed you'll soon adopt the hassle-free approach the locals have to life.

The people of Norfolk share stories of the island's fascinating history. Hear stories of the Bounty mutineers. Some islanders will even open their homes, with groups of four families hosting progressive dinner parties. Some even speak their own language – a sing-song blend of Old English and Tahitian that is one of the rarest in the world.

Spectacular scenery lends itself to time outdoors. Take your pick from any number of sports, from golf and tennis to lawn bowls or horse riding. See local artisans at work, with an impressive array of weaving and pottery up for sale. You can even learn to hula from the traditional Tahitian descendants to the island.

Add some action to the itinerary. Snorkel or scuba dive the coral reef in some of the clearest waters around. More than 30 dive sites range from the safety of the lagoon to the thrill of open water. Take to the hills for a walk beneath the tallest tree ferns on earth.

Easily accessible by air from Sydney, Brisbane, Melbourne, Newcastle and Auckland, Norfolk Island is one of the world's most unique and special destinations.
